Thank you!

Your time is valuable

Security Awareness Training is essential

Must be ongoing

**Cyber Security is *not*
“Set it and forget it”**

Our goal today is for you to know:

- The magnitude of the problem
- How the pandemic has increased the “Attack surface”
- The latest threats
- Who are the targets
- Who are the perpetrators
- Why they do it

AND MOST IMPORTANTLY:

**How to Protect Yourself and
Minimize your Risk**
