

## Alpine Business Systems Receives the Ingram Micro GCIS 2023 Reseller Partner of the Year Award

*Ingram Micro honors Alpine Business Systems for its ability to deliver powerful solutions and drive end-user digital transformation*

**Las Vegas, Nevada — May 15, 2023** — Alpine Business Systems announced today it received the Ingram Micro 2023 GCIS 30 Award in the Reseller Partner of the Year award category for North America, which will be recognized at this year’s Ingram Micro annual conference, Global Cloud & Innovation Summit, in Las Vegas, Nevada, held on May 15 – May 17.

The annual Ingram Micro 2023 GCIS 30 Awards honors the success of top performing channel partners who have measurably exhibited an elite ability in delivering powerful, digitally transformative solutions with the support of Ingram Micro.

The Reseller Partner of the Year category recognizes partners who saw outstanding success and quantifiable business growth in the past year, through selling solutions and services from Ingram Micro to help their customers’ business transform digitally.

“A huge congratulations to Alpine Business Systems on being named Ingram Micro’s Reseller Partner of the Year in North America,” says Therese Ferullo, vice president of sales, Ingram Micro. “A member and business leader within Ingram Micro’s SMB Alliance, Alpine is recognized within our industry as an IT services innovator with tremendous talent and heart.”

Alpine Business Systems continues to lead by working closely with Ingram Micro to expand its expertise, scale their success and help their customers do more with less, using technology to build advantage and create value.

“Being named Reseller Partner of the Year by \$50 billion dollar market leader Ingram Micro is rewarding and demonstrates the values we share with Ingram Micro around showing up stronger together with our customers and our partners,” says Bill Blum, CEO, Alpine Business Systems. “Thank you to Ingram Micro for celebrating the success of our longstanding and growing relationship. Together we continue to enable Alpine’s customers with innovative and relevant technology solutions and services that improve their work and home lives.”

### **About Alpine Business Systems**

Alpine Business Systems is a Microsoft Gold Certified Partner in Central New Jersey, founded in 1987. They use technology to improve the quality of life for their clients, fellow teammates, and communities. Alpine designs, deploys, and manages best-in-class Information Technologies, On-premise, Cloud, and Hybrid, as well as custom software, websites, and digital strategies, resulting in measurable increases in their clients’ productivity, performance, reliability, and security. Alpine’s I.T. Best Practices Framework TM sets them apart from other I.T. firms because it focuses on business processes, as well as technology, producing continuous improvements in their clients’ Operational Excellence and Cyber Security profile.
